

FLOWER POWER

SPECIALIST PLANT FAIRS IN GLORIOUS GARDENS

EVENTS 2017

A plant fair offers you huge choice, diversity and quality

Plants to suit all pockets and gardens

Expert advice from the growers and all British plants

"A choice of wonderful gardens to visit in the North, some gardens not normally open to the public and many old favourites.

Refreshments, free parking, children free. A great way to source plants, directly from the growers, with low mileage and all locally grown."
